Accessibility Accomplishments in (year) 2018

General Accomplishments Applicable Not applicable

Enter in general initiatives related to accessibility that may or may not be directly related to a regulatory requirement or initiatives that don't fall within a particular standard.

Customer Service Accomplishments Applicable Not applicable

Enter in initiatives implemented related to the Customer Service Standards. For example, this can include training employees, updating/establishing policies, follow up on feedback received.

New Staff and all students trained on Customer Service Standards.

Information and Communications Accomplishments Applicable Not applicable

Enter in initiatives implemented related to the Information and Communications Standards. For example, this can include creating accessible documents, updating websites to meet accessibility requirements, developing new policies to ensure information/documents are provided in alternate formats, follow up on feedback.

Newly updated website design to incorporate accessibility requirements

Employment Accomplishments Applicable Not applicable

Enter in initiatives implemented related to the Employment Standards. This can include, for example, accommodating all candidates during the recruitment process and employment life cycle, steps taken to ensure accommodation plans and ensuring employees have accessible emergency information.

Accommodation plan established for long time employee

All candidates notified of recruitment process and accommodations that may be required.

Transportation Accomplishments Applicable Not applicable

Enter in initiatives implemented related to the Transportation Standards. This can include, for example, installing signage for priority seating, training staff on appropriate use of a vehicle's accessibility features.

Design of Public Spaces Accomplishments Applicable Not applicable

Enter in initiatives implemented related to the Design of Public Spaces Standards. This can include, for example, installing accessible playgrounds, tactile walking surface indicators and establishing design guidelines that take into account accessibility. Accessible playground panels installed at the Rosseau Waterfront Park.
Completed renovation at Rosseau Memorial Hall. Hall is now fully accessible with elevator and compliant washroom

Summary of Consultations Applicable Not applicable

All designated public sector organizations must establish, review and update multi-year accessibility plans in consultation with persons with disabilities and, when applicable, with a municipal accessibility advisory committee. All municipalities with 10,000 and more residents must establish an accessibility advisory committee. Obligated organizations are also required to consult with the public and persons with disabilities when building new trails and outdoor play spaces. Use this section of the report to outline any consultation that took place during the year.
