If the **Director of Public Works** considers that a correction, explanation or interpretation is necessary or desirable, he/she will issue an Addendum to all who are listed on the "*Request for Tender Obtained Register*". No oral examination or interpretation shall modify any of the requirements or provisions of the tender documents.

In this event, the tenderer shall arrange to have the proposed work done by such other sub-contractor as may be approved by the Township. Only one name shall be shown for each sub-trade.

The tenderer shall not be allowed to substitute the other sub-contractors in place of those named in the tender without written approval from the **Director of Public Works**. Should the tenderer cease operations, under no circumstances shall sub-contractors be allowed to continue to work on the site unless an authorized representative of the tenderer is present on the site at all times. The tenderer shall notify the **Director of Public Works** in writing of the names and positions of the person, or persons so representing the tenderer.
