<p>Variances for structures, etc. must be clearly plotted or marked with tape, flags, or other clear visual indicators in preparation for site inspection. Lands and/or structures that are not clearly marked will result in the application being deferred by Committee.</p>	<p>*During winter months, applications may be deferred until such time that the subject property can be accessed safely</p>	<p>*Note - depending on workload and timelines, staff may impose a <i>limit on the number of applications</i> to be heard by the Committee of Adjustment. All applications received are placed on the Committee agenda based on the order that they are received, and provided that the application is COMPLETE.</p>
